Polo Forest Reserve - Volunteer Training Camp

Hii,

I'm just back from the camp.... it was hell fun for me. What I learnt?

Lots of eco-games,
Teaching tactics,
Handling kids/participants of all ages(i'm not perfect with BIG ppl....i like kids),
Organisational Setup,
Volunteer Responsibilities,
lot lot lot more....

What I need to do?

.. as its a must for the future use of the knowledge and its conversion into wisdom....

and i'll do tht.... i'm a bit more disciplined now??

may be yes. thanks to the super-strict, sturdy, moustached guy called **Mayur Mistry**(with a stick in his hand....lol). jokes apart, i'm greatly happy after the learning experience with **Mayurbhai**.
